The main aim of the project

To raise the level of financial literacy among Roma adults which will enable them to learn an ability that can benefit whole generations.

**»Share our similarities, celebrate our differences.«
M. Scott Peck**

The project activities

- to perform a focused needs assessment within the target group
- to develop a specific, tailor-made and transnational FINALLY training course
- to develop innovative learning and teaching resources - FINALLY Toolbox for learners and teachers
- to train the trainers through development of simple guidelines and implementation of staff workshops
- to test and evaluate the tools developed through pilot actions
- to disseminate the project activities and results, raise awareness and promote the integration of Roma population
- to exploit the tools developed and ensure sustainability of project results by directly involving the stakeholders and policy-makers

Glavno cilji du projekto FINALLY hilo izboljšini finančno pismenost miškuru purane Roma. Du projekto razvijovinama izbraževalno programo i učno gradivja, ka ovna kerde su potrebe du romani manjšina i usmerinde, da pheske therna praksa. Dova lenge but pomozinla du lengero življenji.

Azu partnerstvo zraven RIC sodelovinen još šest partnerja zuru Italija, Slovaška, Bolgarija, Grčija i Srbija.
